Dear Students, Parents and Carers,

This Year the CWA are again running their Public Speaking Competition and our school will be entering one participant from Year 6.

All students will be required to write and present a speech on one of the topics to their class. The three best speeches from each class will then participate in a grade speech competition to determine the Year 6 representative.

Speeches will be presented throughout Week 7, 7th - 11th March.

Speech topics are:

Seeing the difference
Family Matters
The finishing line

Students are required to choose one topic and present a 2 minute speech.

Good luck!
