Dear Parents,

**Grade 6 Commemorative T-Shirt**

We are currently in the process of organising some special commemorative T-Shirts for Grade 6. The (collared) T-Shirts will be a memento of the students last year at this school and will be available at a cost of $35.00.

It is envisaged that the T-Shirts could be worn as a supplementary sport shirt and for special occasions.

If you wish your son/daughter to purchase the shirt please indicate the size, and return the note and $35 by Wednesday 7th February.

**We have some T-Shirt size samplers in the front office if any parents are unsure of which size to select. They do tend to be a little larger than the normal size so it is best to try one on.**

With thanks
