Term 1 -Week 10 -1st April 2020

This will be the final (abbreviated) newsletter for the term. At this stage we do not know what Term 2 will look like for the McAuley school community but we will be prepared as best we can for whatever comes our way. Whilst we are aware that many people are in precarious employment and even financial situations I am already getting feedback from some parents that teachers are worth a lot more than what they are paid!!! We are in uncharted waters in so many ways so as the season of Easter and Holy Week approaches I do pray that our patience and tolerance of all things finds new reserves and we all (teachers, students and parents) have a good "online learning/home learning pack free" break! We continue to keep Robyn Petty's family in our prayers.
