Dear Parents and Carers,

This term in English the students in Year 1 have been focusing on the “Tashi” series of books written by Ann and Barbara Fienberg. As part of our work we have begun a Project Based Learning experienced based on the following question “*How can the villagers be kept safe in the Tashi village?*”

Each student has designed a house for a villager that will keep them safe from a particular threat eg Giants, Witches, Dragons.

The students will be making a model of their design on Monday 24th September. Models will be no bigger than an A4 piece of paper. Please talk with your child about the recycled materials they will need to bring to school to build their model. Please send in any materials in a plastic bag with your child's name clearly labelled on it.

The village will be on display in the Year 1 area on Monday 24th and Tuesday 25th September from 3:15-3:30pm. Please feel free to pop in after school has finished with your child to have a look at the models.

Thank you

Year 1 Teachers
