Volunteers are required to work in our Tuckshop.

Please fill in your name and the day you are available. As Thursday and Friday are our busiest days it would be appreciated if you would consider volunteering for these days. We have two ‘shifts’ for volunteers in our tuckshop. You would be on the roster once every four weeks.

Would you kindly return the completed form to the school by Monday 9th February 2015 so we can draw up a roster and let you know the dates and times you are required.

Thank you very much for last year’s support and I hope you will once again continue to support the School Tuckshop.
