Term 4 -Week 2 - 25th October 2018

McAuley Award Winners 2018

As Term 4 starts in earnest I do want to look back a little way and make comment about our wonderful Catherine McAuley Day at the end of last term. The day started with a beautiful Mass that included the presentation of the McAuley Award winners, who will feature at the top of this newsletter for the remainder of the term. The day continued with trivia in Kenna Hall and a barbecue and tug-of-war as well as the McAuley answer to the Stawell Gift.... "the McAuley gift".

I want to thank all parents, teachers and students who contributed so much to the day and made it such a special event for the whole school community.

From the Acting Assistant Principal

Welcome back to term 4! What a busy but exciting term this will be. Both Camille and I are taking on new roles this term, and are looking forward to this challenge!

Prac Teacher: This term we welcome Sarah Borg and April Lemon who will be working with IC and 2F for the next four weeks. Welcome to McAuley Sarah and April. We hope your time with us is both exciting and rewarding.

Kinder 2019 Orientation: We begin our Kinder 2019 Orientation next Thursday 25th October, with a Parent Information meeting in Kenna Hall at 6.30pm, followed on Friday 26th October with the first of our three sessions with our Kinder students for 2019. While our 'new' Kinders are in the classroom, our Year 6 students will be working with our current Kinders. Thank you so much to our Year 6 students and teachers for their wonderful generosity.

School Summer Uniform: Now that we are in Term 4, students are moving into their Summer Uniform. Over the next week students have the option to wear either summer or winter uniform, but regardless of which uniform is worn, students are expected to wear the complete uniform, not a combination of uniforms. *Also, the summer uniform comes complete with the school hat.* Hats are to be worn each time students are outside. Even though we are still experiencing cool days, our risk from the sun is increasing, therefore beginning this week, students will be expected to wear their hats. If students forget their hat, they will have to sit in designated shade areas during playtime. Please remind your children to bring their hats to school and wear them each day.

Year 6 excursion to Canberra: This will be a very busy term for Year 6, beginning with their excursion to Canberra on 1st & 2nd November. It is a big responsibility to take nearly 80 children away over night. There is a very high behaviour expectation placed on all Year 6 children as they represent our school in our Nation's Capital.

This is both a wonderful experience and great privilege. Thank you to our Year 6 teachers and Mr Croke who will be giving up their own time to accompany these students.

OSCH at McAuley: Last term we were very fortunate to start our OSCH facility for school students Out of School Hours. This facility runs from our Sacred Heart Campus in Byng Street. It has continued to grow in numbers and is open to all primary school students in Orange. The relaxed setting, great afternoon tea, option of outdoor and indoor play has seen all children attending this facility, happy and engaged. Thank you to Amy and Renai from Centacare for all their work in running this wonderful service. After school care is currently on offer from 3:00pm – 6:00pm Monday to Friday, and before school care from 7:00am - 9:00am. For any information on McAuley OSCH please call Amy or Renai on 0439 631 686.

ICAS tests: Congratulations to the following students who received recognition for their achievements in the ICAS English Test, which they sat recently.

This is an outstanding achievement and we congratulate all of our students who sat these tests.

Arriving Late: It is an expectation at McAuley that students will arrive at school before the first bell at 8.55am. Supervision in the playground commences at 8.35am, with students arriving at school prior to this time expected to move to the seating area outside the staffroom and remain seated until supervision begins. Should students arrive late for school, they need to report to the School Office before going to class. Please be respectful of the limited time we have with your children, and our need to make the most of the time we have with them by making sure they are at school in time for the bell.

Focus of the Week

**We wear our uniform respectfully
and are responsible for
belongings**

As the term has just begun, our focus at the moment is on wearing our uniform correctly and with pride. In Summer, the boys do not have to tuck their shirts in, but it is important that we still maintain a tidy presence. Please go over the school rules regarding jewellery, nail polish and hair ribbons and accessories with your children so that while in the McAuley uniform, they represent our school proudly. **PLEASE MAKE SURE THAT ALL ITEMS THAT COME TO SCHOOL ARE LABELLED!!** We appreciate the cost of uniform, lunch boxes, etc, and are often dismayed at how many items end up in 'lost property' and are unable to be returned to their owners.

Have a wonderful week,

Robyn Petty

2018 World Mission Appeal

From the Acting Religious Education Coordinator

Mission Month

"Never think that you have nothing to offer, or that nobody needs you. Many people need you. Think about it! Each of you, think in your heart: many people need me." Pope Francis

Myanmar is located in Southeast Asia with around one quarter of its population estimated to be living below the poverty line. Active conflict zones exist in parts of the country. Ongoing ethnic and religious violence has intensified since 2012, culminating in the tragic displacement of hundreds of thousands of Rohingya refugees from the country.

The high incidence of poverty is exacerbated by barriers to education, and has contributed to adverse health outcomes.

Catholic Mission supports the Catholic Church in Myanmar in a number of ways, including funding, missionary collaboration and providing expertise in sustainability. The Church in Myanmar has a strong focus on education as the key to moving forward, and is engaged in a range of education specific projects.

This year we unite again with Catholic Mission to raise both awareness and money for those less fortunate than ourselves during World Mission Month.

Myanmar Overview

Over the next two weeks students will be learning about, praying and raising money for the children of Myanmar. They will also have the opportunity to learn about how others live out their call to be missionary disciples in our world.

If you wish for your child to participate in the fundraising activities in Week 2 then please send the donation amount listed below (**\$3 in total for all activities**), to your child's classroom teacher before Monday 22nd October.

The non perishable recess food items will be collected before recess on Tuesday 23rd October for our Deny and Donate day.

The money for the Fun Day (**20c pieces**) will not be collected but should be brought in on the day (Wednesday 24th October) and kept in a small purse or zip lock bag (students will be responsible for their own money to be used at the stalls).

Mission Activities

THE DISH

Year 5 had a lovely day at “The Dish” in Parkes. The weather was warm and the dish was huge and amazing. The 3D information movies were awesome and the scavenger hunt for clues around the information centre was interesting and insightful. All in all a great day had by all.

The Secrets to Savvy Snacking!

It's certainly no secret that our kids are constantly growing.... and depending upon their growth cycles (and of course, their daily activity levels), it's natural for them to experience fluctuations in their appetites as well.

Whilst some of us parents may have grown up in an era when snacks were labelled as 'bad', and we were told to avoid them at all cost, snacks can in actual fact, be used really effectively to:

- Support nutritional requirements during growth spurts (including pregnancy),
- Supplement 'nutritional gaps' in the standard daily eating pattern, and
- Assist in the maintenance of a healthy body composition (ratio of lean muscle tissue to body fat).

Although the (very) occasional lolly, biscuit or packet of chips is not a major problem, healthier options are a far better way to go.... so consider these strategies:

- Plan and portion out daily snacks rather than just grabbing something cheap and/or convenient when you're already hungry,
- Select foods high in nutritional value,
- Ensure energy input aligns to activity output,
- Try to include protein where possible,
- Try to keep fresh fruit visibly positioned (as a healthy snack reminder),
- Try making healthy snacks such as muffins and muesli bars,
- Limit highly processed foods, particularly when high in refined sugars

Also try to establish some snacking boundaries with your children, such as:

- Teaching them to ask for a snack rather than just helping themselves,
- Asking them to snack at the table, rather than in front of the TV,
- Eating snacks from a portion serving size container or bowl, rather than directly from the packet.

Nourish yourself (and your kids) with savvy snack selections and your body (as well as your kids) will thank you for it!!
